

# Integrating Grammar in the Context of Real Writing: The Writing Process

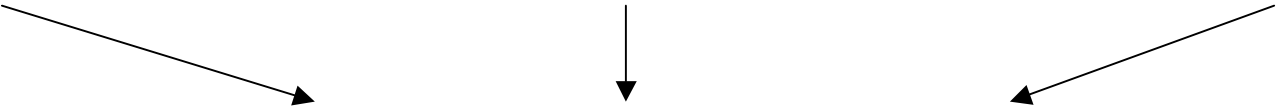

**Early drafting:**

**Mid-process**

**Later drafting,  
polishing, and  
publishing**

**Reactive Mini-lessons (focusing on grammatical terms and stylistic devices – Anticipated)**

Products: (what will students produce by the end)

**Project Planning – Integrating Grammar into the writing process**

**Grammatical Goals**  
(Planned skills to teach)

**Reactive Lessons**  
(mini-lessons in response to student errors/needs)
