Import Data

Data Format for Signals

Time Domain Signals

Workspace Variable

Input: u
Output: y

Data Information

Data names: Sys Res 81
Starting time: 0.0
Sampling interval: 0.001

Workspace Variable

Freq. Function (Amp./Phase)

Data Information

Data names: FreqData 81
Freq. Unit: Hz
Value: 0.99
Sampling interval: 0.001

Frequency Domain Signals

Workspace Variable

Input: unit
Output: unit
Frequency: omega

Data Information

Data names: Freq Data 02
Frequency Unit: Hz
Value: 0.99
Sampling interval: 0.001
