Fridays  
10:30am to 11:30am  
Or by Appointment

### HOMEWORK REQUIREMENTS

- Homework must be handed in on or before test days.
- All homework should be written on 8.5" x 11" standard line paper or graphing paper.
- Homework must be written in pencil.
- Assignments should be placed in the notebook in the order they are assigned.
- Problems should be done in the order assigned.
- Show all of your work for each problem.
- Make sure your answers are clearly noted.
- Neatness counts!
- Include a cover page as the first page of your homework. The cover should include your name, class number (Math 1160), class title (Finite Mathematics), class time, date submitted, and the chapters/sections submitted.
