

WMU College of Engineering & Applied Sciences

Summer Workshop 2008

RECOMMENDATION FORM

Applicant's Name _____

School Attending _____ District _____

To the teacher, counselor, or youth group leader: The student whose name appears above is applying to attend the WMU College of Engineering and Applied Sciences Summer workshop for electrical circuits. Because so many applicants present strong credentials, a recommendation from you offering specific information about the applicant is an invaluable tool for selection. Specific examples are especially helpful.

As you complete this form, please keep in mind that we are looking for the following characteristics: creativity, imagination, curiosity, initiative, insight, and enthusiasm about learning and life in general.

1. How long have you known the applicant, and in what context?

2. What are the first words that come to your mind to describe the applicant and why?

3. Which intellectual characteristics and abilities will you most remember about the student?

4. Which personal qualities stand out in the applicant? Are there any special strengths or weaknesses?

5. We would welcome any additional comments you think might be helpful to us.
