Dr. Kevin Corder, Chairman  
WMU Department of Political Science  
3308 Friedmann Hall, Mail Stop 5346  
Kalamazoo, MI 49008

Dear Dr. Corder:

I am writing to inform you that Attorney General Mike Cox is seeking highly motivated and highly qualified undergraduate students to serve as interns in a variety of capacities. Please forward this letter on to any student who might be interested.

This office serves as an advocate for the people of the State of Michigan in topics such as consumer protection, child support, gaming, and senior citizen rights. This elected office also serves as the chief legal counsel for the State, what is in effect a multi-billion dollar corporation.

Throughout the internship program, students will gain valuable hands-on work experience and insight into potential careers as they view the inner-workings of state government in this fast-paced office. This is an excellent opportunity for those interested in attending law school or working in other government related positions. Interns in our office may work in such fields as communications, legislative, constituent relations and the law.

While these internships are unpaid, school credit, if applicable, is available. If you have any questions, please feel free to contact me at anytime at 517-373-1110.

Interested students should send a resume and cover letter to:

Andrew Phelps, Internship Coordinator  
Office of Attorney General Mike Cox  
G. Mennen Williams Building, 7th Floor  
525 West Ottawa Street  
P.O. Box 30212  
Lansing, MI 48909
Thank you for your assistance in this matter. I firmly believe that internships are an invaluable part of the college experience, and I look forward to having the opportunity to meet with your students.

Sincerely,

Andrew Phelps
Undergraduate Internship Coordinator
